

Cambridge Memorial Hospital is looking for a **Full-Time Anesthesiologist** to join our Department of Anesthesia.

The Anesthesia group consists of 14 supportive and collegial members who cover the O.R, the obstetrical epidural service, selected endoscopy lists, the inpatient acute pain service and the outpatient preoperative clinic. On Call frequency is approximately 1 in 12.

Applicants must be FRCPC trained and have an independent, unrestricted license with the CPSO. Final year residents are welcome to apply

A 190-bed community hospital, CMH has recently completed an exciting Capital Redevelopment Project with new facilities in the OR, Emergency, Critical Care, Inpatient Medicine, Surgery, Obstetrics, Pediatrics, and Mental Health. CMH is a busy community hospital with a high-volume emergency room and full support from medical and surgical subspecialties, intensivists, and neurology. This is further complemented by full diagnostic Laboratory and Imaging Support services including state of the art MRI and CT Scanner with 24/7 Radiology coverage.

We are affiliated with Waterloo Campus of the Michael G. DeGroote School of Medicine, McMaster University and support academic interests. Opportunities exist for teaching medical learners and residents.

Cambridge is located in southwestern Ontario within easy access of Toronto, Hamilton and London. Cambridge provides a high standard of living with attractive residential areas, an excellent selection of schools, easy access to five major universities and many recreational activities.

Interested candidates may address their letter of interest to Dr. Mark Hindle Chief of Anesthesia, and may forward their application and current Curriculum Vitae to: [mhindle@cmh.org](mailto:mhindle@cmh.org)
