

Cambridge Memorial Hospital (CMH) is looking for a **General Cardiologist**.

CMH is looking for a cardiologist with Level III Echocardiography training. Level II Echocardiography level will be considered if the candidate has extensive experience and other qualities desirable to CMH. Experience in leadership positions would be an asset. Depending on qualifications, additional administrative responsibilities in various areas may be offered. Competitive remuneration in administrative/clinical support will be available to the candidate with appropriate background, expertise, and experience.

The Cambridge Memorial Hospital facilities include a Cardiac Respiratory Unit that provides testing in 2D echocardiogram, stress echocardiography, exercise stress test, Holter monitoring, as well as full pulmonary function testing. The Echocardiography Laboratory is accredited under the Echocardiography Quality Improvement Program in Ontario. The applicant is expected to assist in expanding the echocardiography program to increase stress echocardiography capacity, and resume trans esophageal echocardiography. CMH also has a robust nuclear medicine program providing full nuclear cardiology testing.

Applicants must be licensed with the College of Physicians and Surgeons of Ontario and have an independent practice license or eligible for same. Certification or eligibility for certification in Internal Medicine and Cardiology through the Royal College of Physicians and Surgeons is also required.

On call requirements will include coverage in cardiology only. However, interest in general medicine/ICU coverage will be considered (but not required) with appropriate experience.

Cambridge Memorial Hospital is a 140 bed community hospital located in Southern Ontario. We are affiliated with Waterloo Campus of the Michael G. DeGroote School of Medicine, McMaster University and support academic interests. Specialist programs include: Cardiology, Respiriology, Gastroenterology, Rheumatology, Endocrinology, Critical Care, GIM, Neurology, Infectious Disease, Hospitalist Medicine, General Surgery, Urology, OBS/GYN, Pediatrics, ENT, Oncology, Orthopedic surgery, Plastic surgery, Radiology and Psychiatry. Regional Dialysis, Radiation Oncology, Interventional Cardiology as well as Cardiac, Thoracic, Bariatric and Vascular Surgery are available within the Waterloo Wellington Local Health Integrated Network.

Cambridge is a friendly family oriented community of 130,000 located 1 hour from Toronto, London, and Hamilton, on the 401 highway. Our business-friendly environment and appealing lifestyle have made us one of the fastest-growing cities in Canada. Cambridge enjoys an excellent standard of living with access to parks, rivers, recreational facilities, universities, colleges and high-tech jobs all within the region.

Applications should be submitted to Dr. Augustin Nguyen, Chief of Department of Medicine, Physician Director of Medical Programs.
