

STAFF PATHOLOGIST

Cambridge Memorial Hospital (CMH) Department of Laboratory Medicine is looking for a full-time **Staff Pathologist** to join our team of 6 pathologists. We have surgical, general pathology and limited autopsy services, receiving 12,000 surgical cases per year, including breast, gastrointestinal, gynecological, genitourinary and skin oncologic resections.

The successful candidate must have licensure to practice in Ontario and certification in either general or anatomic pathology from the Royal College of Physicians and Surgeons of Canada. Subspecialty interest or fellowship training in dermatopathology, gynecological, breast or genitourinary pathology, would be considered an asset, but all qualified applicants are encouraged to apply.

Cambridge Memorial Hospital is a 180-bed community hospital with 1300 staff, 265 Medical/Professional Staff and over 500 volunteers. CMH has recently completed an exciting Capital Redevelopment Project with brand new facilities in Emergency, Critical Care, Inpatient Medicine, Surgery, Obstetrics, Pediatrics, Mental Health and with a redeveloped Laboratory.

Located 1 hour from each Toronto, London and Hamilton, Cambridge is a family-friendly city where one can enjoy the benefits of a small town with the perks of a big city. Our business-friendly environment and appealing lifestyle have made us one of the fastest growing cities in Canada. Cambridge enjoys an excellent standard of living with access to parks, rivers, recreational facilities, universities, colleges and high-tech jobs all within the region.

We invite all interested and qualified candidates to submit a letter of interest and a current Curriculum Vitae to Dr. Jacqueline Bourgeois, Director of Laboratory Medicine and Chief of Pathology c/o Nina Grealy, Medical Administration (ngrealy@cmh.org).
