INDIGENOUS PATIENT NAVIGATOR

Do you or someone you're supporting identify as Indigenous (First Nations, Inuit, or Métis)?

If YES, please connect with the Indigenous Patient Navigator to explore how they can support!

SERVICES

- Explore helpful resources in the community
- Provide connection to cultural knowledge
- Help navigate barriers to accessing equitable care
- Refer to traditional healing, ceremony and other services
- Promote and advocate for a culturally safe environment
- Assist with discharge planning
- Explain the healthcare plan to the client and family
- Plus more...

REFERRAL PROCESS

- The first step is to contact the IPN to discuss the referral.
- This initial conversation helps determine if the referral is appropriate and to identify the best next steps.
- If suitable, the IPN will coordinate the most appropriate way to complete the required intake and consent forms.

Referrals are VOLUNTARY and can be made by clients, family or any healthcare professional
